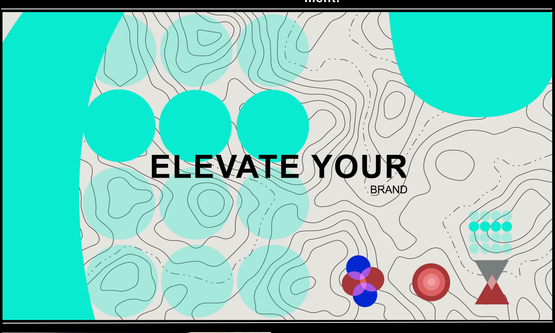
[PASSTTEELL]

PASSTTEELL→ is a creative hub with over a decade of experience in business communications + digital designs. We focus on creative strategies that aligns with innovation and robust styling for business deployment.



01

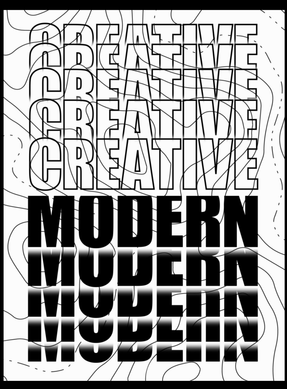
[DESIGN]

Design is essential when it comes to branding and marketing a product. Design enhances user experience, build trust, adds value and solves deadstock problems. We offer multi designery disciplines such as website, print, dynamic pdfs, corporate letterheads, digital content, social, email marketing, retargeting & logo designs.

02

[BRANDING]

Consistency in branding can resonate with your target audience and drive business forward, long term. Spearheading branding can leverage value and convert first time buyers to loyal customers by instilling trust and transparency.



03

[MARKETING]

In a fast pace changing environment, marketing plays a vital role on the accumulation of conversions. Taken initiatives on marketing goals and product offerings is a never ending battle. We offer analytical, structural and marketing strategies that aligns with return on investment.

04

[PHOTO GRAPHY]

Compelling photography plays a vital role in engagement, building trust, confident and enhances product conversions. We offer retail, eCommerce, 360 products, lifestyle and aerial photography/video services
